

Join the Marrow Registry!

Thousands of patients with leukemia, lymphoma, other blood cancers and severe sickle cell, depend on the Be The Match Registry to find a stem cell donor to save their life. YOU could be someone's CURE! Minority donors are urgently needed!

It only takes about 15 minutes and a cheek swab sample to join the registry.

If you are a match for someone there are two ways of donating:

1. About 75% of the time the donation is done through blood, similar to donating double reds or platelets.
2. About 25% of the time (usually if you match a child) the donation is done through a surgical procedure, you are under general anesthesia.

Marrow Registry Drives
(Ages 18-44 years old)

Monday, 11/9 and Tuesday, 11/10
11:00 AM – 4:00 PM
Student Union Building (SUB) – Down Under

Sponsored by: Phi Sigma Pi, Delta Sigma Pi and Phi Delta

If you can't attend a drive, you can join on-line! Go to www.bethematch.org
Click on "Join the Registry", "Join Now". When prompted enter promo code: Truman
