Taiwan at Truman Seeks Host Families for Weekend Stay

The Taiwan at Truman program is in need of host families for a one-weekend homestay with local families during the weekend of July 7-9.

Thirty-one high school girls from Taiwan will be participating in the program from June 12 to July 17.

The girls prefer to be placed two to a home during the homestay because some speak better English than others. Some of the older girls could be placed one to a home.

Contact Shelley Begue at mnb314@truman.edu for more information or to volunteer.

barbecue from 11:30 a.m. to 1 p.m. June 29 on the mall. David Nichols, Randy Smith and Jay Bulen will provide music during the barbecue. The rain site will be the Student Union Building Quiet Lounge. Twenty years ago on Jan. 1, 1986,

legislation went into effect that changed the University mission from a regional university to a statewide public liberal arts and science university.

Additionally, there is an exhibit "Normal to Truman: A 10th Anniversary Celebration of Our Name Change" currently on display in the Pickler Memorial Library gallery. The exhibit will be on display until July 1. It covers all the name changes in Truman's history and a few of the events of note that occurred under each name, including the transition from a private to a state school, the mission change, the Mitau Award, the "firsts" (first *Index*, first yearbook), and more. For more information about this exhibit, contact Elaine M. Doak at 785.7368.
