## Truman Partners with U.S. Bank

Truman is partnering with U.S. Bank so that the Truman ID card can be used as a U.S. Bank ATM/debit card beginning in August 2007 for individuals who have a U.S. Bank checking account and choose to activate their Truman ID Card. This new functionality requires the University to replace all Truman ID cards in August 2007.

We will be issuing new Truman ID cards to all faculty/staff, emeriti, retirees, and designated guests starting Aug. 6. This will be necessary before any of the benefits of using your Truman ID will be available to you including the library, recreation center, and Sodexo food plans. Old ID cards will no longer be usable at any location or as a valid Truman ID. You must surrender your old ID when getting your new one.

New cards will be available starting Aug. 6, in Kirk Building 112 for faculty/staff, emeriti/retirees and designated guests. We will be accommodating our incoming students Aug. 19-22 with extended hours and expect that you would want to avoid the long lines during these times. We will resume regular business hours, 8 a.m. to 4:45 p.m. on Aug. 23.

If you have questions concerning the new Truman ID card, please call Kaye Davis, ID coordinator, at 785.4123.

## Truman Receives \$325,000 in Campaign Commitments

Truman State University's inaugural campaign has received a boost of \$325,000 from several recent commitments.

The advance commitments are part of efforts in the leadership gifts phase of the campaign. The \$30 million campaign, approved by Foundation Board of Directors in January, is a major component of Truman's strategic plan and vision to become the nation's premier public liberal arts and sciences university. The campaign will provide greater scholarship resources; generate support for student enrichment and academic programs, athletics, and faculty development.

President Barbara Dixon has made a \$100,000 cash and deferred commitment to benefit multiple priorities in the campaign. Dixon is also serving as a member of the campaign steering committee. Chuck and Colleen Foudree of Lee's Summit, Mo., have also committed to \$100,000 in a cash and deferred arrangement to create their second scholarship fund at Truman. The Colleen Foudree Scholarship is designed to assist students studying at Truman whose spouse is working to help pay tuition. This fund is established to honor Colleen Foudree's work to finance Chuck Foudree's studies at Truman. Chuck Foudree also serves as the campaign chair.

Dwain and Vera Horn of Omaha, Neb., have created a scholarship fund with a cash gift of \$50,000.

The scholarship is designed for Truman students from Dwain Horn's hometown of Moulton, Iowa, and Appanoose and Davis counties in Iowa. Dwain Horn is a member of the Foundation Board and is the 2007 recipient of the President's Leadership Award.

Chuck and Sherri Woods of Florissant, Mo., have established an endowment for the School of Business and Accountancy with a cash pledge of \$25,000. This gift will also be matched equally by Chuck Wood's employer, The Boeing Company, and will fund a program to instill leadership development skills in business students. Chuck Woods is a member of Truman's Foundation Board of Directors and is chair of the Development Committee.

Wilma and Dr. Mark Maddox of Macon, Mo., have pledged \$25,000 to the campaign to create an endowment for Truman's study abroad program. Earnings from the endowment will produce a stipend to assist students with a study abroad experience who might not otherwise be able to participate due to financial considerations. Wilma Maddox is a member of Truman's Board of Governors.

Recruitment of campaign volunteer leadership and the securing of advance leadership gifts will continue for several more months prior to the campaign's public phase.

## Master Plan and Assessment Workshop to Take Place

This year's Master Plan and Assessment Workshop will take place from 8:30 a.m. until 5 p.m. July 24. Registration begins at 8 a.m. in the vicinity of Magruder Hall 2001.

This year's annual workshop theme is "Affirming the Promise: A Bridge to a Third Decade of Excellence in the Liberal Arts." The discussions and presentations scheduled throughout the day will focus on providing insight into conditions and issues we will need to engage in order to implement the new strategic plan and advance the plan's vision for Truman to become America's premier, liberal arts and sciences university.

Those who attend will be provided the final agenda and general University assessment data when they

arrive Tuesday morning. Those in attendance will be asked to take the information they gain from the workshop back to their area and serve as a catalyst for further discussions and actions that support the progress of the University. The information they receive and the topics presented will serve as a preliminary platform for discussions that will be scheduled this coming year.

People are asked to confirm their attendance at the workshop and lunch by noon July 19 by calling 785.4106 or e-mailing [vpaa@truman.edu](mailto:vpaa@truman.edu) after completing the attendance form so that they can have the appropriate handouts and food available.
