Alumni to be Honored at Homecoming Events

Homecoming 2007 will see several Truman alumni being honored at various events.

This year's Alumna of the Year is Randa Rawlins, a 1979 Truman graduate. Rawlins is General Counsel and Corporate Secretary at Shelter Insurance Companies in Columbia, Missouri.

She was appointed to Truman's Board of Governors in December 1997, reappointed in March 2002 and currently serves as Chair of the Board. She is also a member of the Truman State University Foundation Board, the Capital Campaign Steering Committee, the John R. Kirk Society, and the President's Circle. In addition, she serves as Chair of the Association of Governing Boards of Universities and Colleges Council of Board Chairs.

Rawlins was a Pershing Scholar while attending Truman. She was a member of Alpha Sigma Alpha and involved in Student Senate. She served as an intern in the Washington, D.C. office of Congressman Tom Coleman and in the Jefferson City office of State Representative Harry Hill.

She received her juris doctorate from the University of Missouri-Columbia School of Law. In 2003 the Law School presented her with the Citation of Merit, its most prestigious alumni award.

Jaime Geer ('00) is this year's Young Alumna of the Year. Geer received a B.A. in business administration with concentrations in economics and communication from Truman in 2000. While at Truman, she was involved with the women's golf team and was a four-year letter winner and a student assistant coach during her senior year. She qualified for three Division II National Championships. When not on the golf course, Geer was served on the Student Athletic Committee [Captains' Roundtable] as its president and vice president as well as the business fraternity, Delta Sigma Pi where she was President her senior year. Geer works for the RE/MAX California & Hawaii Region.

Tom Ballard ('69) and Major General John V. Cox ('52) will be awarded Distinguished Service Awards.

Ballard grew up in Ankeny, Iowa, and attended Truman from 1965 to 1969, graduating with a B.S. in the spring of 1969. While at Truman, he was a member of Sigma Tau Gamma fraternity. Following graduation, Tom spent most of the next three years as an officer in the U.S. Marine Corps and served as an infantry officer with the 1st Marine Division in Vietnam. He and his wife Susan met in Washington, D.C., while Tom was still in the Marines. After the Marines, Tom decided on a career in the computer industry that included working for Honeywell, Loral/Rolm and Cordant Systems. He retired from Cordant Systems in 1997 as vice president, Command/Control/Intelligence Programs where he managed all contracts and engineering activities related to the contracts with the various U.S. Intelligence Agencies and other Department of Defense contracts.

In 2001 Tom and Susan moved to a town in Iowa about 15 miles northwest of Des Moines. Tom keeps busy managing farm land that he and Susan own in northwest Iowa, serving as a general partner in an Iowa-based Ethanol plant and a managing partner in a flight-training company where he is a commercial pilot and flight instructor. Since 2005, he has served on the Truman State University Foundation Board.

Cox originally from Bevier, Mo., graduated from Northeast Missouri State Teachers College (now Truman State University) earning a B.S. degree in business administration in 1952. He also holds a master's degree in international affairs from George Washington University.

He entered the Marine Corps via the Officer Candidate Program at Quantico, Va., and was commissioned a Marine second lieutenant in September 1952. After completing The Basic School, he reported for flight training and was designated a Naval Aviator in July 1954.

Successive assignments were with all three active Marine Aircraft Wings and with the 4th Marine Aircraft Wing; service on the USS Lake Champlain; duty as an air and naval gunfire platoon commander; duty with Marine Fighter Squadron (VMF)-451, VMF-333, and VMA-324. He completed Communications Officer School, served as Communications Officer at MAG-15, El Toro, and later was Operations Officer of VMFA-513 at El Toro, Atsugi and DaNang (1962-1965).

He graduated from the Armed Forces Staff College in 1967, and after serving as an instructor at the Naval War College, he returned to Vietnam for a second tour of duty.

Tours of duty in the 1970s include Executive Officer of MCAS, Kaneohe Bay, and duty on the staff of the Commander in Chief, Pacific. After graduating from the National War College in 1974, General Cox reported for duty at Headquarters Marine Corps. He was promoted to brigadier general on Nov. 4, 1977. Duty as Assistant Wing Commander, 1st Marine Aircraft Wing, Commanding General, 9th Marine Amphibious Brigade, Assistant Chief of Staff at Headquarters Marine Corps, Deputy Chief of Staff for Research, Development and Studies at Headquarters Marine Corps, and Commanding General, MCAS El Toro/COMCABWEST, followed.

He was promoted to major general on April 9, 1981. He assumed command of the 3rd Marine Aircraft Wing, Marine Corps Air Station, El Toro, Calif., in May 1981. In June 1982, he was assigned duty as the Director of Operations, J-3, for the Commander in Chief, Camp H.M. Smith, Hawaii. He served in this capacity until July 1, 1985, when he retired from the Marine Corps.

Dean Rosebery ('41) and Amy (Ayres) ('43) Rosebery are serving as Grand Marshals for Truman State University's Homecoming 2007 parade. Dean received his B.S.E. in biology from Northeast Missouri State Teachers College (now Truman State University) in 1941 and his Ph.D. in aquatic zoology. Rosebery worked at Truman from 1953-1985. He retired as professor emeritus of biology and head emeritus of the Division of Science. Amy graduated from Truman as valedictorian of her class in 1943 with a B.A. and B.S.E. in English, and she received her M.A. degree from Columbia University in New York in 1949. She taught speech at the Kirksville Junior High School in 1945, and from 1946-48, she taught English at the Blacksburg Virginia High School. During her undergraduate days at Truman, she was active in Alpha Sigma Alpha, Cardinal Key, Alpha Phi Sigma, Pi Kappa Delta and a member of the Debate Team.

Contact Bump at mbump@truman.edu for more information.

Athletics Hall of Fame Class Announced

The Truman Athletics Hall of Fame will induct Aaron Royster (baseball), Jim Blacklock (football) and Mary Blandford (swimming) this October. Joining the three individuals, the 1946-47 Bulldog men's basketball team and the 1982 softball team will be inducted as well.

The Truman Athletics Hall of Fame induction ceremony will take place at the Alumni & Friends Banquet at 6:30 p.m. Oct. 26 in the Student Union Building Georgian Room and will also be honored at halftime of the Bulldogs Homecoming game against Emporia State.

Royster played baseball for the Bulldogs from 1991-1994 and still holds many of the team's offensive records. Royster averaged .370 for his career peaking with a .444 mark during his senior season in which he earned first-team all-MIAA honors for the third consecutive season. Also in 1994, Royster was named first-team all-Central region and was a GTE/CoSIDA Academic all-American.

Blacklock played football with the Bulldogs from 1957-1960 and was one of the anchors of the offensive line for the Bulldogs that won the 1960 MIAA championship. Blacklock was co-captain of the '60 squad with Dale "Paley" Mills, one of the greatest running backs in the nation. Blacklock's offensive line helped Mills establish a career rushing record of 4,502 yards that stood for 36 years as both the school and conference record.

Mary Blandford swam with the women's swimming team from 1993-1996. Blandford was a three-time

national qualifier for the Bulldogs, earning trips to the national meet in 1994, 1995 and 1996.

When Blandford graduated from Truman, she left her name in the record book in seven locations. In addition to the 100 and 200 free events, Blandford held the 500 Free with a time of 5:06.86 and was a member of four relay team records, the 200 and 400 Medley teams, and the 200, 400, and 800 freestyle relay squads.

Boyd King's 1946-47 men's basketball team and Mary Jo Murray's 1982 Bulldog softball team will be inducted into the Hall of Fame this year.

The 1946-47 basketball team is the only team to win 30 games in a season. The Bulldogs won their first 19 games before falling by eight to then-Southwest Missouri State in early February. The Bulldogs rebounded to win the next 11 contests, including the MIAA championship.

The team was led on the court by NBA Hall of Famer, Harry Gallatin, and was joined by other greats such as Earl Dodd and Robert Lewis.

The 1982 softball team was the first women's squad to bring home an NCAA trophy in the first year the sport was sponsored by the association. The Bulldogs were 22-15 during the regular season. The Bulldogs went on to compete at the College World Series in the Final Four. Truman finished the season with a 24-17 record.

Complete information on the inductees is available in the online version of the Truman Today.

CUR Accepting Proposals for 2008 National Conference, Posters on the Hill

CUR is now accepting proposals for workshops, interactive sessions, and poster presentations for the 2008 CUR National Conference to take place June 21-24 at the College of Saint Benedict, in Saint Joseph, Minn.

The theme is "Frontiers and Challenges in Undergraduate Research." A description of the theme, as well as sub themes are available by visiting the conference Web page at <http://www.cur.org/conferences/CSB/CUR08NatConf.asp>.

The deadline for submission for workshops and interactive sessions is Nov. 1. For poster presentations, the deadline is Feb. 1.

CUR is also accepting abstract submissions for the 2008 Posters on the Hill Event. In honor of International Polar Year, the Council on Undergraduate Research would like to encourage the submission of research abstracts for Posters on the Hill that involve polar research. Students in any of the CUR Divisions as well as the Humanities are welcome to apply. The program is tentatively scheduled for April 16, 2008, in Washington, D.C. The deadline for submitting applications is Nov. 15. More information and the application are available at <http://www.cur.org/postersession.html>.

Benefits Informational Fair to Take Place Oct. 29

A Benefits Informational Fair is scheduled for Oct. 29 with presentations beginning at 9:15 a.m. and ending at 5 p.m. Representatives from UNICARE, Delta Dental, Spectera, Standard and MOCAFE will be at Truman to provide information on any plan changes for the 2008 Plan Year, effective Jan. 1, 2008, through Dec. 31, 2008.

UNICARE, Delta Dental of Missouri, Spectera, Standard and MOCAFE will continue to provide medical/prescription, dental, life insurance benefits as well as a cafeteria plan provided by Missouri Cafeteria Plan. UNICARE's plan selection will continue to provide Plan A (low deductible plan) and Plan B (high

deductible plan).

New this year is the addition of the Health Savings Account (HSA) which will be referred to as UNICARE HSA. Information concerning the HSA will be provided by UNICARE during their presentation times. Pre-enrollment for benefits will also be available on this day. If you do not pre-enroll, the open enrollment for medical, dental and vision benefits for the plan year will take place from Nov. 7 through Nov. 20. Enrollments are due no later than 5 p.m. on Nov. 20.

More information will be forthcoming. Questions concerning the Benefits Fair should be addressed to Curt Devan at devanc@truman.edu or 785.7298.

NOTABLES

Mariya Davidkova from Wildwood, Mo., Amy McNabb from Queen City, Mo., Molly Smith from Newton, Iowa, Julia Stefani, Michelle Van Kleeck from Cabool, Mo., and Allie Wehrman from St. Louis, all computer science majors and members of the student organization, TWICS, and Jon Beck, associate professor of computer science and the organization's mentor, traveled to Carnegie Mellon University in Pittsburgh to present their paper "Telephone: Phylogenetics Unplugged" at the OurCS conference, Oct. 5-7. Renee Hellebusch Niewald '07 was also a co-author. A highlight of this conference was that the Truman group met (and had their picture

taken with) Fran Allen, this year's Turing Award winner. The Turing Award is considered the Nobel Prize of computer science.

Nicki Morgan, a sociology/anthropology major from Eolia, Mo., has been awarded Second Prize in the 2007 Alvin Gouldner Undergraduate Student Paper Competition sponsored by the Missouri Sociological Association for her paper, "Development and Identity: A Look at the Maya of Toledo District, Belize." Morgan presented her research at the annual meeting of the Missouri Sociological Association in Lake Ozark, Mo., Oct. 19-20.

Anonymous Donor Challenges Community to Support Local United Way Campaign

The United Way of Adair County has been contacted by an anonymous donor who has issued a challenge to the community to exceed this year's campaign goal of \$270,000. For every \$5,000 that is raised above the \$270,000 goal, it will be matched with another \$5,000 up to a maximum of \$15,000. If United Way can raise donations of \$285,000, the anonymous donor will match an additional \$15,000 to total \$300,000, which will directly support the local community.

The 2008 fund-raising campaign for the United Way of Adair County is currently doing well at \$135,000, or 50 percent of the \$270,000 goal. Truman State University is the largest organizational supporter of the United Way and is currently at 88 percent of their goal of \$56,000.

"Now, more than ever, we need the community's support for the partner agencies and programs that directly support our neighbors, families and friends," said Robyn Kollar, 2008 campaign chair.

"It's also important to know that recent statistics show that United Way agencies directly touch one out of three residents in this area, so this campaign affects a diverse group of citizens and is truly an investment in the future of our community," said Nancy Pennington, executive director of United Way of Adair County.

If you would like to make a contribution or even increase your support, please contact Teri Heckert or Brad Chambers, Truman drive chairs, at heckert@truman.edu or bchamber@truman.edu for more information.

Nominations Being Accepted for USA Today's All-USA College Academic First Team

The *USA Today* will select 20 students to be named to the All-USA College Academic First Team. They will be featured in a two-page color presentation in the nation's newspaper in February 2008. Each will receive a trophy and a \$2,500 cash award. Forty more students will be recognized in the newspaper as Second and Third Teams.

Beginning this year, students must register electronically and be screened for eligibility. They will be directed to a PDF of the nomination form on the Web. The completed nomination file must be mailed to *USA Today* by Nov. 30. Winning students will be notified in late January and be announced in *USA Today* in February.

To register, students should go to <http://allstars.usatoday.com> and use the All-USA drop-down menu to go to the four-year college program. Students must be full-time undergraduates of at least junior standing at a four-year institution in the United States or its territories. U.S. citizenship is not required.

The criteria are designed to find students who excel

not only in scholarship but also in leadership roles on and off campus. A key element is the student's essay describing his or her most outstanding undergraduate intellectual endeavor. Nominations include a nominator's statement describing the merits of the student's endeavor, transcripts and two other letters of recommendation.

Winners will be selected by a panel of educators, chosen in cooperation with co-sponsors: the National Association of Independent Colleges and Universities (NAICU), the National Association of State Universities and Land-Grant Colleges (NASULGC), the American Association of Colleges for Teacher Education (AACTE), the Council for Advancement and Support of Education (CASE) and the American Council on Education (ACE).

More information about the program, including bios of former winners, FAQs for nominees and advice for nominators, is available at <http://allstars.usatoday.com>. Call Carol Skalski at 703.854.5890 or e-mail allstars@usatoday.com with any questions.
