## Commission on Curriculum Seeks Feedback

Undergraduate Council (UGC) created the Commission on Undergraduate Curriculum in May 2006. In October 2006, members were selected and since that time, commission members have been working on Phase I of their charge.

The commission has just completed the draft of the first phase of their report and is now seeking feedback from members of the University community. This feedback will be used to revise and finalize the Phase I report which will then be submitted to the faculty for a vote.

The legislation creating the commission can

be accessed under "Projects and Subcommittees" at the UGC Web site [http://ugc.truman.edu/projects/commission/Commission\\_on\\_Curriculum\\_Bill.pdf](http://ugc.truman.edu/projects/commission/Commission_on_Curriculum_Bill.pdf)

There are two opportunities this week for the campus to engage with commission members and to provide feedback. Please try to attend one of the two meetings.

The forums will take place from 1:30-3 p.m. Nov. 15 in Violette Hall 1000 and from 2:30-4 p.m. Nov. 16 in the Student Union Building Conference Room.
